### **What is it? When is it?**

**How can you participate?** The 2<sup>nd</sup> Annual **Trunk or Treat** event at WPC will be held on **Sunday, October 29**, from **4 to 5:30 p.m.** WPC will be hosting this fun event for young and old alike. Using our upper parking lot, cars will line the lot and members will give out treats from their trunks. We ask our participants to decorate their trunks in a fun Halloween theme (if they like). Adults and children can dress up in costume. We

need your help! We need about 20 “trunks” with at least 50-75 “treats” each of individually wrapped candy or non-edible items (pencils, stickers, etc.). We also need volunteers to manage the other parking lots. If you plan to participate in this event, please arrive at WPC by 3:00-3:30 p.m. Boy Scout Troop 277 will be serving hot dogs and beverages.

Contact Jenny Montague ([yimnphilly@yahoo.com](mailto:yimnphilly@yahoo.com) or 610-357-0016) or Shirley Rudd, ([dvr65sar@comcast.net](mailto:dvr65sar@comcast.net) or 484-479-3672) if you would like to be a part of this fun event. *Call soon so we can plan accordingly.*

## **FAITH** **MONEY** *network* *making the connection*

Save the Date: Sunday, **October 22, 11:30 – 2:00 p.m.**

*Faith and Money Network Mini Retreat*

Many people of faith in today’s economy are searching for meaning beyond their work and consumption, for deeper relationships, for a part in a more sustainable economy that supports all people as well as our planet. Faith and Money Network equips people to build honest, just, community-centered relationships with money.

Jesus repeatedly spoke about money and challenged the disciples, the scribes, and the crowds to become conscious of money and their relationship to it. We, too, need to examine our thoughts, feelings, and behaviors which relate to money. As we discern the ways we earn, inherit, invest, spend, give, or waste money, often without conscious choice or a deliberate faith stance, we will be enabled to respond more fully to God.

In this retreat, we will reflect on our own money stories. How do we handle money? What is our theology of money? How do we live and move around those with more, or less, money than we have? How do we model the use of money in our lives?

At the core of Faith and Money Network events is space and freedom to ask questions and find one’s own answers.
