

# Cupcake Decorating Workshop

Join us on Friday, May 13<sup>th</sup>, for an extra special treat: We will be decorating the cupcakes along with graduates of the City Team program. We are serving pizza so don't worry about dinner! At the end of the evening everyone will have a chance to take some cupcakes home and donate some to the CityTeam ministries.

CityTeam Ministries is involved throughout the Delaware Valley in real life situations in Chester, PA. They provide hot meals, a safe shelter, clean warm clothing and run a successful addiction recovery program.
